As my neck back side of head and my left arm are feeling pain about 3 days ago and unable to see things clearly. I wanted to vomit as well. My left arm is numb sometimes.

Doctor Name

Dr. Moe Aung Kyaw Naing

Hospital Name

Grand Hantha

Diagnosis

Doctor tested me body and gave 3 days pills for treatment and want to see if pain is still on or not. IF pain is still on, he recommended to do Xray test so that he could find solution. After Xray, he found out my neck disc C6 & 7 are too narrow and make me feel numb and unable to hold things firmly.
