

AYA HEALTH INSURANCE

WHEREAS the Insured, by a proposal and declaration, has applied to **AYA SOMPO INSURANCE** (hereinafter called "**The Company**") for the insurance contained in this Policy and has paid or agreed to pay the premium as consideration for such insurance.

NOW THIS POLICY WITNESSES subject to the terms, conditions, limitations, exclusions and definitions contained in this policy, policy schedule and any endorsements herein, will indemnify the Insured in the manner and to the extent described in this Policy, in respect of events occurring during the Period of Insurance.

OUR AGREEMENT

The Policy, Schedule and any Endorsements must be read together as they form **Your** insurance contract with **Us**. These documents reflect the Terms and Conditions of the contract of insurance as agreed between **You** and **Us** and is issued in consideration of the payment of premium as specified in the Schedule and pursuant to the answers given in the Proposal Form completed by **You** (or on **Your** behalf by **Your** intermediary) and any other disclosures made by **You** between the time of submission of **Your** Proposal Form and the time this Contract is entered into.

DUTY OF DISCLOSURE

You have a duty to take reasonable care not to make any misrepresentation in answering the questions in the Proposal Form i.e. **You** should answer the questions fully and accurately. Failure to take reasonable care in answering the questions may result in avoidance of **Your** contract of insurance, refusal or reduction of **Your** claim(s), change of terms or termination of **Your** contract of insurance. **You** have a duty to tell **Us** immediately if at any time after **Your** contract of insurance has been entered into, varied or renewed with **Us**, any of the information given in the Proposal Form is inaccurate or has changed. At the point of purchasing this insurance and at any point during the validity of this insurance contract, **You** must immediately inform **Us** of any other insurance that **You** have bought which provides like or similar type of coverage to the items insured under this contract of insurance.

DEFINITIONS OF WORDS

For the purpose of this Policy, the following definitions apply:

1. **ACCIDENT** means a sudden and unforeseen Bodily Injury caused by violent or external means.
2. **AMBULANCE SERVICES** mean the necessary medical transportation to or from the nearest suitable Hospital by road / off-road vehicle.
3. **BODILY INJURY** means physical injury resulting from an Accident to a Participant/Insured's body resulting in Participant's death, Loss of Sight, Loss of Limb, Permanent Total Disablement or Medical Expenses being incurred.
4. **CHILD (ren)** means unemployed and unmarried Child/Children aged between fifteen (15) days and eighteen (18) years old. The premium payment is calculated based on coming birthday age that falls after the Commencement Date of the policy. In the event that the contract is signed on a birthday, the age reached on that date is considered as the age at signing.
5. **CHRONIC CONDITION** means an Illness or Injury which has one or more of the following characteristics:
 - Has no known recognised cure
 - Continues indefinitely
 - Recurs or is likely to recur
 - Is permanent
 - Requires Palliative Treatment
 - Requires long-term monitoring, consultations, check-ups, examinations or tests
 - Requires Rehabilitation or special training to cope with it.

Note: Cancer is deemed as Chronic when the final diagnosis is terminal.

6. **CLAIM** means the request by the Policy Holder for the refund of costs as described in this Policy.
7. **CO-SHARE** means the proportion of a Claim which a Participant must pay (if any), where specified in this Policy (including the Table of Benefits and Membership Certificate) in any one claim.
8. **COMMENCEMENT DATE** means the date on which this Policy becomes effective, as specified in the Membership Certificate.

9. **CONSULTANT** means a physician or surgeon whose opinion on diagnosis or treatment is sought by the Physician attending the Participant.
10. **DATE OF ENTRY** means the date that cover first starts for a Participant.
11. **DAY-CARE** means Treatment provided in a hospital or any specialist clinic where the Participant is admitted but is not required for medical reasons, to stay overnight.
12. **DEDUCTIBLE** means the amount as specific in the Table of Benefits that the Policy Holder must pay in respect of each Participant in any one Period of Insurance before any benefit in respect of that Participant is payable under this Policy.
13. **DENTAL PROSTHESIS** means crowns or bridges.
14. **DENTAL SURGERY** means tooth extraction, and root canal Treatment.
15. **DENTAL TREATMENT** means an annual check-up and hygienist visit to the dentist in each Period of Insurance, including de-scaling and polishing Treatment, X-rays, scans or moulds, fillings using amalgam or composite materials, and Treatment for the relief of an infection.
16. **DEPENDENT** means the Participant's legal spouse (or partner who has been living with the Participant for more than six continuous months) who is not legally separated from the Participant, and his / her unmarried child, step- child, foster child or legally adopted child-provided that such child is less than 19 years old on the date the insured person is first included under this Policy or at any subsequent renewal of the Policy and is financially dependent on the Participant for support. Dependent(s) will only receive the services and benefits described in this Policy if they are a) named or described on a completed Application Form or subsequent notification, b) have been assessed and accepted as eligible to participate in this Policy; and c) for whom the appropriate premium has been paid.
17. **EMERGENCY TREATMENT** means a Hospitalization required as a result of serious injury or the onset of a life-threatening condition that requires immediate medical or surgical care to prevent loss of life or permanent damage to the organs or systems of the body.
18. **GEOGRAPHICAL AREA** means Republic of the Union of Myanmar.
19. **HOSPITAL** means any institution under the constant supervision of a resident Physician which is legally licensed as a medical or surgical Hospital in the country where it is located.
20. **ILLNESS** means any sickness, disease, disorder or alteration in the Participant's medical condition diagnosed by a Physician.
21. **INJURY** means physical damage or harm caused to the body as a result of an Accident.
22. **INPATIENT** means Treatment provided in a Hospital where a Participant is admitted and, out of medical necessity, occupies a bed for one or more nights but not exceeding 12 months in total for any one Insured Event.
23. **INSURED** means the Insured Person(s) shown in the Policy Schedule who is aged between fifteen (15) days and seventy (70) years old and a Myanmar citizen, Myanmar Permanent Resident, or otherwise legally employed in Myanmar and/or foreigner who is currently staying in Myanmar. The premium payment is calculated based on coming birthday age that falls after the Commencement Date of the policy. In the event that the contract is signed on a birthday, the age reached on that date is considered as the age at signing.
24. **INSURED EVENT** means an Accident or Illness occurring during the Period of Insurance within the Geographical Area which entitles the Participant to receive benefits under this Policy.
25. **LOSS OF LIMB** means loss by physical separation of a hand at or above the wrist or of a foot at or above the ankle.
26. **LOSS OF SIGHT** means the total loss of sight where the degree of any sight remaining after correction is 3/60 or less on the Snellen Scale which is of a permanent and of an irreversible nature which is shown by medical evidence to be likely to continue for the remainder of the Participant's life.
27. **MEDICAL ADVISOR** means the Medical Practitioner We choose to advise on Claims under this Policy.
28. **MEDICAL EXPENSES** mean Medically Necessary expenses incurred for Treatment of an Accident or Illness as a result of an Insured Event.
29. **MEDICALLY NECESSARY** means services to diagnose or treat a patient following Illness or Accident in keeping with signs and symptoms, not required for mere comfort and convenience, and for a medically appropriate duration.
30. **ORTHODONTICS** means the use of devices in order to rectify malocclusion and re-establish correct alignment and function of the teeth.
31. **OUTPATIENT** means medical Treatment provided to the Participant and ordered by a Physician when it is not medically necessary for the Participant to be admitted as an Inpatient or Day-care patient in a Hospital.

32. **PALLIATIVE** means Treatment, the primary purpose of which is only to offer temporary relief of symptoms rather than to cure the Illness or Injury causing the symptoms.
33. **PARTICIPANT** means Policy Holder itself, an employee and/or director of the Policy Holder who is a) entitled under his/her contract of employment to health benefits and b) who is named or described on a completed Application Form or subsequent notification and c) who we have assessed and accepted as eligible to participate in this Policy and d) in respect of whom the appropriate premium has been paid. There must be (5) or more Insured Person/Participant included in the group policy.
34. **PERIODONTICS** means Treatment in respect of gum disease.
35. **PERIOD OF INSURANCE** means the period specified in the Policy Schedule for which the appropriate premium has been paid and during which insurance under this Policy applies. It shall mean the one-year period including the effective date of Commencement of Insurance and immediately following that date, or the one-year period following the renewal or renewed policy.
36. **PERMANENT TOTAL DISABLEMENT** means a condition which, one year after the date of disablement, is of a permanent, severe and irreversible nature which is shown by medical evidence to be likely to continue for the remainder of the Participant's life and which in Our reasonable opinion prevents the Participant from engaging in any work or occupation for remuneration or profit.
37. **PRESCRIBED VACCINES** refer to immunizations or injections required by the Health Authorities of the country in which the Treatment is administered or by those of the country that the Insured is visiting. Costs related to consultation and to purchase of the vaccine are covered, according to the table of benefits.
38. **PHYSICIAN** means a legally licensed Medical Practitioner who is a doctor recognised by the law of Republic of the Union of Myanmar and who, in rendering such Treatment is practising within the scope of his / her license and training.
39. **POLICY LIMIT(S)** means the limit of applicable benefit per Participant per Period of Insurance. It is not transferable between Participants.
40. **POLICY HOLDER** means the Insured entity being the Company, Corporation, Organisation, Employer or individual named in the Schedule who subscribes to this Plan and pays or undertakes to pay the appropriate premium and to whom any Benefit payable under this Policy is paid.
41. **POLICY SCHEDULE** means the document attaching to and forming part of this Policy, stating amongst other things, the Policy Holder, the Participant, the Geographical Area, the Period of Insurance, and any special provisions which apply to this Policy.
42. **PRE-EXISTING MEDICAL CONDITION** means a known medical or psychological condition from which the Participant has suffered or for which the Participant has received medical Treatment (including Prescription Drugs) or of which symptoms have manifested themselves during the 24-month period prior to the Participant being first included for cover under this Policy.
43. **PRESCRIPTION DRUGS AND DRESSINGS** means drugs, medications, dressings and bandages when ordered on the written instruction of a Physician.
44. **PRIVATE CLINIC** means a medical facility operating in conformity with the law relating to Private Health Care Services which treats patients on an Outpatient basis and does not admit patients for overnight stays.
45. **PRIVATE HOSPITAL** means a Hospital that is not a Public Hospital or owned by non-governmental organization.
46. **PUBLIC HOSPITAL** means a Hospital that is operated and funded by the Ministry of Health or other Ministry in the state of Myanmar.
47. **REHABILITATION** means Treatment(s) designed to facilitate recovery from Injury, Illness, or disease so as to regain maximum self-sufficiency, form and function in as near normal manner as possible.
48. **TABLE OF BENEFITS** means the document attaching to and forming part of this Policy, stating (amongst other things), the cover provided under this insurance, and the maximum amounts payable in respect of those benefits.
49. **THAILAND ZONE** means scheduled Treatment for any of the following:
- Abdominal aortic aneurism repair;
 - Angioplasty;
 - Bowel surgery;
 - Coronary artery bypass graft;
 - Hernia Repair requiring Surgery;
 - Hysterectomy;
 - Lithotripsy;
 - Nephrectomy;
 - Prostatectomy;
 - Renal Transplant;
 - Rotator Cuff Repair;
 - Spinal Surgery;
 - Thyroidectomy;
 - Total Hip Replacement or
 - Total Knee Replacement;
50. **TREATMENT** means any Medically Necessary surgical procedure or medical intervention which is required to cure an Injury or Illness or to provide relief of a Chronic Condition.
51. **YOU or YOUR** means the Policy Holder as specified in the Schedule.
52. **WE or US/OUR** means AYA SOMPO Insurance Company.

BENEFITS AND SERVICES

Following payment of the appropriate premium, subject to the Specific Exclusions in each Section and to the General Conditions and Exclusions in Sections 5 and 6, We will pay for the benefits and services shown in this Policy, for Treatment following an Insured Event in the Geographical Area. We will pay the reasonable, necessary and customary costs, up to the Policy Limits for each Participant, in each Period of Insurance.

Our liability for any Claim for a Participant will cease immediately on the date of their deletion from cover under this Policy or when this Policy terminates. All Benefits are payable to the Policy Holder. Benefit payments shall be processed by Claims administrators, specialized in the handling of medical Claims, who are appointed by Us.

This Policy is underwritten on the following basis:

Medical History Disregarded (MHD): No pre-existing medical conditions will be excluded under this Plan.

SECTION 1 – MEDICAL AND HOSPITAL BENEFITS

1.1. Ambulance Services

We will pay up to the Policy Limit for the Participant's transport to the nearest suitable Hospital by road/ off-road ambulance if Our Medical Advisor considers it was Medically Necessary.

1.2. Hospitalization Costs

We will pay up to the Policy Limit for the Participant's Inpatient or Day-care admission to Public Hospital or Private Hospital for the following Medical Expenses and services when approved by Our Medical Advisor:

1.2.1. Accommodation in a standard single-bedded room (subject to availability) and meals;

1.2.2. Medical Treatment and services ordered by a Physician, including

1.2.2.1. Surgeon's and Anaesthetist's charges,

1.2.2.2. Physician, Consultant and Nursing charges,

1.2.2.3. Diagnostic Procedures (including CT, MRI and PET scans),

1.2.2.4. Surgical Appliances and Prostheses which are reasonable, necessary and customary which are required Intra-Operatively, and

1.2.2.5. Medicines, Drugs and Dressings.

1.2.3. Intensive Care Unit accommodation when medically necessary.

1.2.4. Day-Care Surgery and/or Treatment of a type formerly carried out on an In-Patient basis, as Medically Approved by Us as follows:

- | | | |
|---|--|---|
| • Chemotherapy & Radiation Therapy | • Injection or Rubber Band Ligation Excision Breast Mass | • Paracentesis |
| • ESWL: Extracorporeal Shock Wave Lithotripsy | • Bone Biopsy | • Abdominal Paracentesis/Abdominal Tapping |
| • Coronary Angiogram/Cardiac Catheterization | • Tissue Biopsy | • Curettage, Dilation & Curettage, Fractional Curettage |
| • Extra Capsular Cataract Extraction with Intra Ocular Lens Implant | • Amputation | • Colposcopy, Loop diathermy |
| • Laparoscopic | • Closed Reduction of Fractures | • Bartholin's Cyst (Marsupialization of Bartholin's Cyst) |
| • Endoscope | • Liver Biopsy | • Gamma Knife |
| • Sinus Operations | • Bone Marrow Aspiration | |
| | • Lumbar Puncture | |
| | • Injection or Rubber Band Ligation | |

1.2.5. During the three-month period immediately following the Insured Person's discharge from an In-Patient admission in a Hospital, post-Hospitalization Treatment received on an outpatient basis provided the Insured Person remains under the control and supervision of the treating Physician or specialist consultant or such Treatment has been ordered by the Physician and for which Treatments are directly resultant from the Accident or Illness for which the Insured Person was Hospitalized.

1.3. Chronic Conditions

We will pay up to the Policy Limit for the Participant's Inpatient or Day-Care admission and/or Outpatient treatment (providing this benefit has been selected as part of the Policy) to a Public Hospital or Private Hospital and the following when approved by Our Medical Advisor:

1.3.1. First Onset

The first onset or an acute exacerbation of a Chronic Condition (See definition) will be covered under Section 1.2 of this policy, subject to the policy terms and conditions, to expedite a full recovery or return to previous state of health.

1.3.2. Ongoing Management

From the date that an injury or illness is deemed by our physicians to have become Chronic Condition, all and any subsequent cover for chronic episodes of the condition under this Policy shall be limited to the maximum benefit specified in the Table of Benefits for each chronic condition, each period of insurance in respect of all necessary and reasonable treatment costs.

Specific Conditions Applying to Section 1.2 & 1.3

- a) In the case of what Our Medical Advisor considers to be an unreasonable length of stay or unreasonable charge. We reserve the right to limit payment to what Our Medical Advisor considers to be usual, reasonable and customary costs.

1.4. Maternity Cover

We will pay up to the Policy Limits for maternity care when the Participant's expected delivery date is at least 10 months after the initial Date of Entry to this Policy.

We will pay up to the Policy Limits in total each pregnancy (as agreed by Our Medical Advisor as being usual reasonable and customary), for the following:

1.4.1. Pre-Natal Examinations by a Physician

1.4.2. All costs of Normal Childbirth or C-Section (elective or non-elective)

1.4.3. Post-Natal Examinations by a Physician

If however any Medical Complications arise in connection with pregnancy or childbirth, the cover under Section 1.2 of this Policy will apply instead, and the Insured Person will be covered up to the maximum specified in the Table of Benefits in respect of any Necessary Medical Expenses arising from such Medical Complications, as follows:

- | | | |
|----------------------------|---------------------------------------|-------------------------------|
| • Gestational Diabetes | • Antiphospholipid Syndrome | • Retained Placental Membrane |
| • Hyperemesis Gravidarum | • Cervical Incompetence | • Threatened Miscarriage |
| • Pre-eclampsia/ Eclampsia | • Ectopic Pregnancy | • Abnormal Placenta |
| • Rhesus (RH) Factor | • Hydatidiform Mole - Molar Pregnancy | |
| • Obstetric Cholestasis | • Postpartum Haemorrhage | |

Coverage for complications is subject to the Participant's expected delivery date being at least 10 months after the initial Date of Entry to this Policy.

Coverage is extended to include vitamins and folic acid, provided they are prescribed medicine by a qualified Physician (i.e., specified by the Doctor's Notes or a Medical Certificate).

Specific Exclusions to Section 1.4

- a) Terminations of pregnancy, other than miscarriage, ectopic pregnancy and stillbirth.
- b) Antenatal classes, midwifery costs when not directly associated with the delivery.
- c) Complications which may arise during or as a result of a planned home birth delivery.
- d) The transfer of a pregnant woman to Hospital to give routine childbirth, unless Our Medical Advisor considers it is necessary due to medical complications.
- e) Amniocentesis for women aged 35 and under unless agreed in advance.

1.5. Thailand Zone

If We agree that it is necessary for the Participant to undergo a scheduled Thailand Zone, We will pay for the Participant's Inpatient Treatment and costs covered under Section 1.2 approved by Us up to the Policy Limit when incurred in a Hospital in the Kingdom of Thailand or in Myanmar (as specified in Table of Benefits).

In addition, We will pay up to the amount specified in Table of Benefits (Benefit 1.5.2) for the Participant's transfer, by regular scheduled airline to Bangkok in the Kingdom of Thailand or to Yangon, Myanmar.

Please Note:

- 1) For Treatment not a Thailand Zone and not, in the opinion of our Medical Advisor, available in the Geographical Area the transportation benefit is increased to the amount specified in Table of Benefits (Benefit 1.5.3).
- 2) Where the Thailand Zone is a Pre-existing Condition a Co-share of 33.33% will apply to Participants.

Specific Exclusions to Section 1.5

- a) Any costs (other than the Transportation Costs specified) incurred outside the Geographic Area which are not for the Treatment of Thailand Zone.
- b) The Deductible specified in the Table of Benefits will apply per Participant per Period of Insurance.

Specific Conditions Applying to Section 1.5

The transportation benefit will only be paid where:

1. There is a suitable Hospital available, which accepts the Participant for admission, and of which We approve;
2. Our Medical Advisor is of the opinion that the transfer does not present any unacceptable medical risks;
3. Our Medical Advisor agrees that such transfer can safely be made by regular scheduled or charter airline; and
4. The airline company accepts the Participant as a passenger.

SECTION 2 – OUTPATIENT COVER

We will pay up to the Policy Limit for Medically Necessary costs for Outpatient services, including:

- 2.1. Doctor's Consultation fees, Prescription Drugs and
- 2.2. Specialist and Consultant Fees
- 2.3. Diagnostic tests, medical scanning and imagery services
- 2.4. Optical Care - We will pay up to the Policy Limits for the cost of:
 - One annual vision test in each Period of Insurance.
 - One pair of prescription lenses and frame as prescribed by an ophthalmologist in each Period of Insurance.
 - One annual Glaucoma test for Participants over 45 years and where there is a family history of Glaucoma.

Specific Exclusions Applying to Section 2.4

- a) Contact lenses and Plano lenses.
- b) Sunglasses of any kind, including non-prescribed frames and/or prescription sunglasses.

Specific Conditions Applying to Section 2

- a) In the case of what Our Medical Advisor considers to be an unreasonable charge, We reserve the right to limit payment to what Our Medical Advisor considers to be usual, reasonable and customary costs.

SECTION 3 – DENTAL CARE

We will pay up to the Policy Limits for the cost of:

- 3.1. Dental Treatment
- 3.2. Dental Surgery

Specific Exclusions Applying to Section 3

- a) Any Claim for Periodontics, Orthodontics or Dental Prosthesis.
- b) Any Claim for dental care if the Participant has not undergone all necessary Treatment recommended by a Dental Practitioner prior to their Date of Entry to this Policy.
- c) Dental procedures other than those specified, the cost of precious metals, dentures and dental implants.

SECTION 4 – PERSONAL ACCIDENT COVER

This section (Personal Accident Cover) is only covered if shown as covered in the Table of Benefits. If during the Period of Insurance a Participant sustains Bodily Injury resulting from an Accident, We will pay to the Insured the Benefit specified in the Schedule for:

- 4.1. Accidental Death
- 4.2. Loss of Sight or Loss of Limb
- 4.3. Permanent Total Disablement

Specific Extension Applying to Section 4

- 1. Death or Injury caused by the effects of
 - a. Drowning;
 - b. Unavoidable exposure to natural elements; or
 - c. Suffocation by smoke, poisonous fumes or gas will be deemed to have resulted from Accidental Injury provided that such events do not arise from a Participant's intentional, willful or reckless acts.
- 2. If after a reasonable period of time has elapsed and all available evidence has been examined, there is reason to presume the death of the Participant as a result of an Accident, the disappearance of the Participant will be deemed a claim under Death benefit section of this insurance. If at any time after payment of such claim by Us the Participant shall be found to be living, the Policy Holder must repay to Us all sums so paid.

Specific Exclusions Applying to Section 4

We will not pay any claim:

- 1. for more than one of Benefits 4.1, 4.2 or 4.3; or
- 2. which arises directly or indirectly from:
 - a. Sickness or disease, bacterial or viral infections even if contracted by Accident;
 - b. Riding on a motorcycle as a driver or passenger when not wearing a helmet;
 - c. Any injury arising more than 12 months after the Accident giving rise to Bodily Injury.

SECTION 5 - GENERAL CONDITIONS

The following conditions apply to all parts of this Policy:

- 5.1. The Policy Holder must declare to Us all material facts which are likely to affect this Policy - failure to do so may prejudice a Claim. If there is doubt whether or not a fact is material, it should be declared.
- 5.2. The Policy Holder must inform Us immediately of any change in the information given on the Application Form.
- 5.3. Full compliance with the terms and conditions of this Policy is necessary before a Claim will be paid. In all cases We require a completed Claim form, within 60 days of the Insured Event together with full original supporting evidence to substantiate the expense, such as receipts and reports.
- 5.4. The Policy Holder must take all reasonable steps to avoid or minimize any Claim. The Policy Holder must act as if not insured.
- 5.5. The provision of benefits and services under this Policy is subject to local availability, national and international law, regulation and authorizations.

- 5.6. We are entitled to take over the Policy Holder's rights in the defense or settlement of a Claim, or to take proceedings in the Policy Holder's name for Our own benefit against another party and We shall have full discretion in such matters.
- 5.7. We may, at any time, pay to the Policy Holder Our full liability under this Policy after which, We shall have no further liability in any respect.
- 5.8. If another insurance company or a state scheme pays part of the Policy Holder's Claim the Policy Holder must send Us the original bill which clearly shows the amount paid by the insurer or scheme.
- 5.9. If We have admitted liability, any dispute as to the interpretation of this Policy, or as to any rights or obligations under it shall be referred to Arbitration under the provisions laid down under current legislation. Where a dispute is referred to Arbitration under this provision, the Policy Holder shall not exercise any right of action against Us before an award is made.
- 5.10. If any fraudulent means or devices are used by the Policy Holder or anyone acting on their behalf to obtain any benefit under this Policy, it shall be void and / or cover under it in respect of the Policy Holder or Participant shall be void and the premium paid shall be forfeited. We may demand immediate repayment of any such benefit paid.
- 5.11. We shall not cancel this Policy for covered medical reasons, unless We decide not to continue to underwrite this type of insurance in the Policy Holder's Geographic Area. If this does occur, We shall give the Policy Holder not less than 30 days' notice in writing prior to the next annual Renewal Date.
- 5.12. The Policy Holder must advise Us immediately of any Participant leaving or joining the Plan in the course of the current Period of Insurance. Joiners and leavers will be added / deleted from the Plan from the date of notification or from such later date notified. Premiums due or refundable in respect of such Participant's shall be charged or credited on a daily pro-rata basis. No refund or additional premium shall be paid/charged if the amount in question is less than 60,000 MMK.
- 5.13. Termination shall take effect from the date the notice is received or on any later date specified in the notice. If premium has been paid for any period beyond the date of termination, then a pro-rata refund will be made equivalent to the unexpired portion of the Period of Insurance less a ten per cent (10%) deduction for administration costs. No premium refund will be paid under this Policy if the claims paid exceed the premium received, i.e., loss ratio exceeds 100%.
- 5.14. The health bonus, specified below, based on the renewal premium, will be granted from the first renewal year onward for maximum three years, contingent upon no claim is made by each participant in the previous year and in accordance with Our internal risk assessment guidelines. For group policy, more than one participant is insured under one policy, the Health Bonus* shall be applied as if a separate policy has been issued in respect of each such participant. In the event of claim, renewal premium will be provided as per original premium.

Year 1	10%
Year 2	5%
Year 3	5%

* For no claim participants

- 5.15. We reserve the right to renew this Policy.
- 5.16. We shall reserve the right to revise the renewal premium payable if written notice of such revision is provided to the insured at least 30 days prior to the annual renewal date. For any of the changes, the above-mentioned is applicable to all holders regardless of their claim history in reference to Our risk assessment.
- 5.17. If We authorise Treatment or payment for Treatment which proves to be above the Policy Limit or is subject to an exclusion, Deductible or is otherwise not covered by this Policy, the Policy Holder shall pay to Us all sums (or the appropriate proportion, as the case may be) We have paid or incurred.
- 5.18. We only accept premium payments in Myanmar Kyats. All benefits shown are in Myanmar Kyats. In addition, failure to provide evidence of your payment slip to AYA SOMPO Insurance for their share of the premium, will also result in suspension of all claims payments.
- 5.19. If any premium remains due, claims may be offset against the amount outstanding.

SECTION 6 - GENERAL EXCLUSIONS

This Policy does not cover and We will not pay under any part of this Policy for:

- 6.1. Any expense, Treatment, medical or dental condition or procedure relating thereto not specifically stated in this Policy as being insured.
- 6.2. Any sum in excess of the Policy Limits.
- 6.3. Any expense which We and / or Our Medical Advisor consider to be unreasonable, unnecessary or excessive;
- 6.4. Costs which would have been incurred if the Insured Event had not occurred.
- 6.5. Costs relating to Palliative Treatment.
- 6.6. Costs incurred in any Private Hospital or Clinic namely the International SOS Clinic, Yangon, Myanmar and Bumrungrad International Hospital, Bangkok, Thailand are excluded from benefits.
- 6.7. Any Co-share and/or the Deductible specified in the Table of Benefits.
- 6.8. Any Claim involving fraud, misrepresentation or concealment or their consequences.
- 6.9. Any Claim arising from:
 - 6.9.1. self-inflicted Injury (including suicide or attempted suicide);
 - 6.9.2. needless self-exposure to peril (except in an attempt to save human life);
 - 6.9.3. Criminal acts committed by the Policy Holder or Participant
 - 6.9.4 travel undertaken against medical advice.
- 6.10. Treatment for drug and substance abuse (including alcohol) or dependency or other addictive condition and any condition, illness or injury arising directly or indirectly therefrom.
- 6.11. Contraception, sterilization (or its reversal), fertilization, vasectomy, venereal disease, sexually transmitted infections, gender reassignment or any other form of sexual related condition.
- 6.12. Investigations and / or Treatment for infertility and any related condition or form of assisted reproduction.
- 6.13. Chronic or end-stage kidney failure which has or will require regular or long-term dialysis.
- 6.14. Any Treatment to relieve symptoms caused by ageing or any physiological cause.
- 6.15. Costs for Treatment incurred outside the Geographical Area specified on the Policy Schedule, unless otherwise stated within this Policy Wording.
- 6.16. Claims arising from birth injuries or defects, hereditary conditions or congenital Illness or anomalies.
- 6.17. Artificial heart implantation.
- 6.18. Any costs arising after the expiry of the current Period of Insurance, unless this Policy has been renewed for a subsequent 12 months.
- 6.19. Costs in excess of 7,500,000 MMK for the lifetime of each Participant for care or medical Treatment which arises directly or indirectly from Human Immunodeficiency Virus or HIV related Illness, including Acquired Immune Deficiency Syndrome (AIDS) or AIDS related complex (ARC) and any similar infections, Illnesses, injuries or medical conditions arising from these conditions, however caused.
- 6.20. Experimental and unproven medical Treatment or drug therapy and the consequences thereof.
- 6.21. Drugs and other medicines purchased without a Physician's prescription and routine or preventative medicines, vaccinations, check-ups and vitamin, mineral and nutritional supplements; unless included in the Table of Benefits.
- 6.22. Cosmetic surgery or remedial surgery, removal of fat or other surplus body tissue and any consequences of such medical Treatment, weight loss or weight problems/eating disorders, whether or not for psychological purposes, unless required as a direct result of an Accident or surgery for cancer which occurs during the Period of Insurance.
- 6.23. Surgery to correct short or long sight or any other eye defect, unless caused as a result of an Accident or Illness occurring during the Period of Insurance.
- 6.24. Investigations into or Treatment of sleep apnea, snoring, or other sleep-related breathing problems.

- 6.25. Medical Treatment performed by a Medical Practitioner, Physician or consultant who is related to the Participant, unless previously approved by Us.
- 6.26. Medical Treatment associated with cryopreservation, implantation or re-implantation of living cells or living tissue whether autologous or provided by a donor.
- 6.27. Claims arising as a result of the Participant's participation in professional sport (not including recreational or amateur participation) or any hazardous sport or activity such as (but not limited to) the following:
- 6.27.1 riding or driving in any kind of race or time trial,
 - 6.27.2 horse riding,
 - 6.27.3 rock climbing or mountaineering of any type,
 - 6.27.4 hang-gliding, paragliding, parachuting or bungee jumping,
 - 6.27.5 snow skiing or snowboarding whilst away from prepared and marked runs and/or against the advice of the local ski school or local authoritative body;
 - 6.27.6 sub aqua pursuits involving underwater breathing apparatus unless PADI/NAUI certified, accompanied by a certified instructor, and at depths of less than 10 meters;
 - 6.27.7 aviation except when traveling by air as a fare paying passenger;
 - 6.27.8 any activity involving physical impact, hunting, any activity involving the use of weapons; or
 - 6.27.9 any hazardous sport or activity.
- 6.28. If a hazardous sport or activity is not specified in this list, the Policy Holder must contact Us to ascertain if it is acceptable for insurance before cover will apply.
- 6.29. Any Claim arising when the Participant is under military authority or is engaged in activities involving the use of firearms, weapons or physical combat or in an area of military conflict, except in connection with tourist trips made on a private basis during leave.
- 6.30. Any expenses relating to search and rescue operations to find a Participant in mountains, at sea, in the desert, in the jungle and similar remote locations, including air / sea rescue charges for Evacuation to shore from a vessel or from the sea.
- 6.31. Any expense where We are not satisfied with the documents submitted and / or where We do not receive the original documents within 60 days of the Insured Event, unless We agree otherwise.
- 6.32. Accommodation and Treatment costs in a nursing home, hydro, spa, nature clinic, health farm or the like or a Hospital where the establishment concerned has, effectively, become the Participant's home or permanent residence and the admission is arranged wholly or partly for domestic reasons.
- 6.33. Rehabilitation unless it forms an integral part of medical Treatment received as an Inpatient and is under the control or supervision of a specialist and is undertaken in a recognized Rehabilitation unit.
- 6.34. Medical Treatment for learning difficulties, hyperactivity, attention deficit disorder, speech therapy, behavioral problems or child development.
- 6.35. Medical Treatment for mental or nervous disorders, psychiatric Treatment and the costs of a psychotherapist, psychologist, family therapist or bereavement counsellor.
- 6.36. Any Claim in any way caused or contributed to by the use or release or the threat thereof of any nuclear weapon or device or chemical or biological agent.
- 6.37. Any Claims whatsoever resulting from war, invasion, act of foreign enemy, hostilities (whether war be declared or not), act of terrorism, civil war, rebellion, revolution, insurrection, military or usurped power or taking part in civil commotion or riot of any kind. For the purpose of this exclusion, an act of terrorism means an act, including but not limited to the use of force or violence and / or the threat thereof, of any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organization(s) or government(s), committed for political, religious, ideological or similar purposes or reasons including the intention to influence any government and / or to put the public, or any section of the public, in fear).
- 6.38. Any expense which at the time of happening is covered by, or would, but for the existence of this Policy, be covered by any other existing insurance certificate, policy, or state scheme. If there is any other cover in force which may pay in respect of the Insured Event for which the Policy Holder is claiming, the Policy Holder must tell Us at the time he/she first contacts Us.

- 6.39. Any losses which are not directly specified as covered by the terms and conditions of this Policy (examples of losses We will not pay for include loss of earnings due to being unable to work as a result of Illness or Injury).
- 6.40. No person shall be insured under more than one health insurance policy issued by us. In the event the Insured is covered under more than one such policy, We shall consider that Insured to be insured under the policy which provides the greatest amount of benefit. If at the time of any loss, damage, or liability arising under the policy which provides by another company covering the same loss, damage or liability, We will only pay our proportion.
- 6.41. We shall not be deemed to provide cover and shall not be liable to pay any claim or provide any benefit hereunder to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose Us to any sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America, or any of its states, and/or any other applicable economic or trade sanction laws or regulations.

SECTION 7 – CLAIMS PROCEDURE

In the event of hospitalization or other Treatment likely to cost in excess of 3,000,000 MMK the Participant or the Policy Holder must contact Us in advance of admission and Treatment, to ensure that We can check medical necessity, appropriateness of planned Treatment and intended costs. This requirement is waived when contact is not possible due to the emergency nature of the admission but the Participant or the Policy Holder must contact us as soon as is reasonably practicable thereafter and within 48 hours from admission. If the Insured Person fails to follow these conditions and the amount of the claim has not been adversely affected, he / she will be liable to pay a Co-share share of 25 percent of the cost of Treatment and Hospital services incurred.

SECTION 8 – COMPLAINTS PROCEDURE

We aim to provide first class service at all times. If you have any complaints, however, the following procedure is available to you to resolve the situation. The person who sold you the policy should be able to answer any questions and deal with any problems regarding the interpretation, application or operation of the policy and its coverage. If you have a complaint regarding the standard of service you have received under the policy, in the first instance please contact:

AYA SOMPO Insurance

No.245, Corner of Maha Bandula Road and 46th Street, Botahtaung Township, Yangon.

Tel: +95 9 77710 0555

Email: info@ayasompo.com

Please ensure you provide us with all the relevant correspondence, documentation, evidence and situation details when you lodge your complaint. We will acknowledge your complaint promptly in writing. Your complaint will be thoroughly considered and investigated, and we will keep you informed of any appropriate developments. We aim to give you a decision within four weeks. If we are unable to reach this target, we will write to you explaining why and advising when we hope to reach a decision. It may take up to a maximum of eight weeks to provide a final decision.
